SUMMER 2010 NEWSLETTER

We are proud to announce the start of the Integrative Counseling Services Newsletter (Yay!). The newsletter will be published quarterly and will feature a variety of useful information to keep you up-to-date with the ongoing growth at Integrative Counseling. Thank you for your interest and for taking the time to read this

As some of you may have noticed, Integrative Counseling in Oswego has been under heavy construction since the spring. This transition period will lead to some exciting new developments. ICS will be opening up three new playrooms (for a grand total of five!), as well as a fully functioning second-floor, offering more office and work space for clients and counselors alike. We are being as patient as we can (despite our overwhelming excitement!) and we hope you can be patient with us as we undergo the drastic, but much needed changes.

CONGRATULATIONS TO:

- Kerry Delduchetto, MS, CCPT, an ICS counselor, as a newly Certified Play Therapist!

We Would Like To Welcome:

- Ashley Lawton, MS as our new Clinical Coordinator!

Upcoming Events:

“An Introduction to Art Therapy Interventions for Play Therapists and Counselors”

When: Sat. July 17th, 2010 9 a.m. – 3 p.m.

Where: Integrative Counseling Services (Oswego)
